Wine conservation: To ensure an optimal development of the wine in the bottle, it is recommendable to preserve it in a temperature between 13 and 15° C.

Serving advice: The optimum drinking time is from 2 years after the bottling until 7 years. We do not recommend to keep this vintage more than 10 years.

TASTING NOTES

Pale yellow color with golden hue.

In nose shows hints of good evolution, showing aromas of ripe fruit, baked apple, notes of honey, rose petals, orange blossom, mango, etc.

In mouth is more serious, with supple and soft tannins, and with an acidity that makes it vibrant and it holds in tension. It shows hints of fennel, coupled with a subtle saltiness and bitterness, what make it very long and persistent. It appears memories to the barrel, but well integrated into the whole set. A vintage to enjoy a quiet, where we can get the most out of how, to this so particular wine, feels good a few years in the bottle.
