**Wine conservation:** To ensure an optimal development of the wine in the bottle, it is recommendable to preserve it in a temperature between 13 and 15° C.

**Serving advice:** The optimum drinking time is from 2 years after the bottling until 7 years. We do not recommend to keep this vintage more than 10 years.

## TASTING NOTES

Pale yellow color with greenish and golden hue. Light and bright tones.

In nose shows citrus aromas of tangerine, apricot, herbs, anise, hints of pastry and ripe fruit, excelling the typical characteristics of the Viognier.

The palate is satiny and sweet, with salt and toasted touches, all supported by a high acidity that makes longer and cool the whole.

Great time to enjoy the vintage for youth presented together with a fine evolution in bottle.
